

Advance Studying

Making Education a Priority

Good day and Hello.

Thank you for signing up your son/daughter for HSPT sessions. There will be a total of 17 sessions (minimum) of 2 hours each (more or less), plus additional hours if needed as we approach the exam. The extra hours are at no extra charge if you have paid in full.

The classes consist of a complete break-down of both math and English portions of the exam. After each down of exam, full length examinations will be administered. At the completion of each practice test, the questions will be explained in detail.

We will complete more than 5 full length tests. We meet at the Westchester Regional Library on Coral Way and 94 ave. **Our small groups consist of groups of at most 5-6 students.**

This is a semiprivate setting. We start every session **on-time** to get the most benefit of these lessons.

Your son/daughter will have full access to the online version of the HSPT Prep, **FREE of charge. A \$150 value.** (please request it). They will also have access to online practice tests that will be opened at certain dates.
